

# VENUS CHEMICAL CENTRE

Power & Steel  
**Pharmaceutical**  
Cable & Wire  
Metal | Lamination  
Coating | Paper  
**Diamond**  
Textile  
Customize Solutions

## Industries

Schools & College Labs  
Hospitals & Pathology Labs  
R & D Labs | Enviro Labs  
Etp Plants | CRO Products  
Syringe Products

## Labs

Lt. Shree Mr. Madangopal C. Mehta - Founder

## About Us

Venus Chemical Centre was established up by our Late Shri Madangopal C. Mehta and lead by our visionary owner Shri Hemant M. Mehta by remembering, the adage of serving quality and result arranged item in the huge field of Chemical Industry.

With strong willingness, impressive and solid infrastructure, efficient trading ability create strong marketing force, we are at present able to serve a huge range of chemical products includes Glassware, Media Culture, Lab Consumables, Membrane Filters, Instruments and some of our future line of product include with all industries cover like, Pharmaceutical Industries, Textile Industries, Power & Steel Industries, Cable & Wire Industries, Metal-Lamination-Coating-Paper Industries, Hospital & Pathology Labs, Diamond Industries, Syringe Products, R & D Labs Enviro Labs ETP Plants CRO Products, Schools & College Labs, Custom Research Molecules within major industry cover.

Venus Chemical Centre believes in giving the highest quality service to its users. Whether its a any types of industry, Venus Chemical Centre is ready to deliver Laboratory reagents, imported chemicals and are the major distributors of lab ware products

The core values shaping Venus chemical Centre and its approach to the chemical Sector are:

Looking around our website, you'll see that our expertise covers many interesting products for related chemical industries.

### **Our Mission:**

To Enable to increase selling quality services to all over India to all buyers.

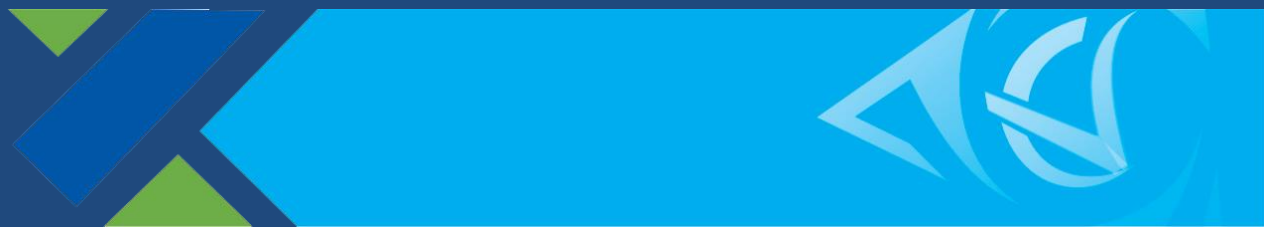

### **Our values:**

\*Open

\*Respectful

\*Committed

\*Pro Active with latest technology and give the best services to our buyer all over Indian.

We are trading all types of Chemical & dealing within the various types of Industries.

Pharmaceutical Industries

Textile Industries

Power & Steel Industries

Cable & Wire Industries

Metal | Lamination | Coating | Paper Industries

Hospitals & Pathology Labs & Customise Products

Diamond Industry | Syringe Product

Schools & College Labs

R & D Labs | Enviro Labs | Eto Plants ICRO Products

## Chemical

GC Solvent | HPLC ( Acid & Buffers ) Solvent | Spectroscopy | AR | LR | Indicator | Industrial ( commercial) | Ion Pairing | Quaternary Ammonium std. | Test Kit

## Glassware

Flasks | Pipettes | Measuring Cylinders | Burettes | Beaker | Bottles | Condenser | Crucible | Desiccator | Apparatus | Funnel | Petridis | Test Tube | Distillation Unit

## Media Culture

Culture Media | Microbiology | Animal Cell Culture | Plant Tissue Culture | Molecular Biology

## Lab Consumables

Liquid Handling System | Plastic ware | Cell Culture | Clog Auto Cleavable | Gloves | Safety Cap | Bags, zip seal Idpe | Tissue Paper | Septa | HPLC & GC Column

## Membrane Filters

PH Paper | Filter Paper | Poly tetra fluoro ethylene (PTEE) | Polyvinyl indene Fluoride (PVDF) | Glass Micro Fibre Filters (GMF) | Nylon Filter Paper | Cellulose Nitrate | Syringe Filters | Tissue paper

## Instruments

Oven | TDS Meter | PH Meters & Electrodes | Hotplate & Stirrers | Thermometer, Hydrometer | Timer and Stopwatch | Auto Claves | Incubators
